Hello!

Durham Region Special Hockey has been providing an ice hockey experience for individuals with developmental challenges since 1994. Our hockey players would not otherwise have the opportunity to play Canada's favourite sport.

Our organization is financed by player registration fees, fundraising opportunities, and the generous donations of individuals. While we do not receive any government or corporate funding to support this very important program, we have recently been registered as a Charity by the Canada Revenue Agency (CRA).

We are asking for your support in the form of a financial donation, or as items that we can use as prizes for fundraising events. We will provide you with a tax receipt upon request.

All contributions will be used to continue to provide our players with the opportunity to not only practice and play hockey each week, but to participate in hockey tournaments in both Canada and the U.S.

You can view our website and our Facebook Page to obtain a better understanding of the Dragons. Any questions or comments can be sent to the email address durhamdragons hockey@gmail.com.
